Important Information About Procedures For Opening A New Account:

To help the government fight the funding of terrorism and money laundering activities, the USA Patriot Act requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask for your name, physical address, date of birth, taxpayer identification number and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents. We will let you know if additional information is required.

Everything that I have stated in this Application is correct to the best of my knowledge. I understand that you will retain this application whether or not it is approved. You are authorized to check my credit and employment history and answer questions about your credit experience with me.

IMPORTANT: Please select the option listed below that describes your applying situation

- If you are applying for individual credit in your own name and are relying on your own income or assets.
- If you are applying for individual credit but are relying on income from alimony, child support, or other assets of another person as the basis for repayment of credit requested.
- If you are applying for joint credit with another person. **WE INTEND TO APPLY FOR JOINT CREDIT.**
